For the purposes of the basis of allotment:

- Applications received from Category I Applicants:* Applications received from Applicants belonging to Category I shall be grouped together, ("**Institutional Portion**");
- Applications received from Category II Applicants:* Applications received from Applicants belonging to Category II, shall be grouped together, ("**Non-Institutional Portion**").
- Applications received from Category III Applicants:* Applications received from Applicants belonging to Category III shall be grouped together, ("**High Net-worth Individual Category Portion**").
- Applications received from Category IV Applicants:* Applications received from Applicants belonging to Category IV shall be grouped together, ("**Retail Individual Category Portion**").

For removal of doubt, the terms "Institutional Portion", "Non-Institutional Portion", "High Net-worth Individual Category Portion" and "Retail Individual Category Portion" are individually referred to as "Portion" and collectively referred to as "Portions".

Allocation Ratio

Particulars	Allocation Ratio Institutional Portion	Non-Institutional Portion	High Net Worth Individual Investors Portion	Retail Individual Investors Portion
% of Issue Size	10%	10%	40%	40%
Base Issue Size (₹ in million)	50	50	200	200
Total Issue Size (₹ in million)	100	100	400	400

Allotments in the first instance:

- i. Applicants belonging to the Institutional Portion, in the first instance, will be allocated NCDs up to 10% of Issue Limit on first come first serve basis which would be determined on the date of upload of their Applications in to the electronic platform of the Stock Exchange;
- ii. Applicants belonging to the Non-Institutional Portion, in the first instance, will be allocated NCDs up to 10% of Issue Limit on first come first serve basis which would be determined on the date of upload of their Applications in to the electronic platform of the Stock Exchange;
- iii. Applicants belonging to the High Net Worth Individual Investors Portion, in the first instance, will be allocated NCDs up to 40% of Issue Limit on first come first serve basis which would be determined on the date of upload of their Applications in to the electronic platform of the Stock Exchange; and
- iv. Applicants belonging to the Retail Individual Investors Portion, in the first instance, will be allocated NCDs up to 40% of Issue Limit on first come first serve basis which would be determined on the date of upload of their Applications in to the electronic platform of the Stock Exchange.

Allotments, in consultation with the Designated Stock Exchange, shall be made on date priority basis i.e. a first-come first-serve basis, based on the date of upload of each Application in to the Electronic Book with the Stock Exchange, in each Portion subject to the Allocation Ratio indicated at the section titled “*Issue Procedure – Basis of Allotment*” at page 277.

As per the SEBI Master Circular, the allotment in this Issue is required to be made on the basis of date of upload of each application into the electronic book of the Stock Exchange. However, on the date of oversubscription and thereafter, the allotments should be made to the applicants on proportionate basis.

Under Subscription: If there is any under subscription in any Category, priority in Allotments will be given to the Retail Individual Investors Portion, High Net Worth Individual Investors Portion, and balance, if any, shall be first made to applicants of the Non-Institutional Portion, followed by the Institutional Portion on a first come first serve basis, on proportionate basis. If there is under subscription in the overall Issue Limit due to undersubscription in each Portion, all valid Applications received till the end of last day of the Issue Closure day shall be grouped together in each Portion and full and firm Allotments will be made to all valid Applications in each Portion.

For each Category, all Applications uploaded on the same day onto the electronic platform of the Stock Exchange would be treated at par with each other. Allotment would be on proportionate basis, where NCDs uploaded into the platform of the Stock Exchanges on a particular date exceeds NCDs to be Allotted for each portion respectively.

Minimum Allotments of 1 (one) NCD and in multiples of 1 (one) NCD thereafter would be made in case of each valid Application to all Applicants.

Allotments in case of oversubscription: In case of an oversubscription, allotments to the maximum extent, as possible, will be made on a first-come first-serve basis and thereafter on proportionate basis, i.e. full allotment of the NCDs to the Applicants on a first come first basis up to the date falling 1 (one) day prior to the date of oversubscription and proportionate allotment of NCDs to the Applicants on the date of oversubscription and thereafter (based on the date of upload of each Application on the electronic platform of the Stock Exchange, in each Portion).

For the purpose of clarity, in case of oversubscription please see the below indicative scenarios:

In case of an oversubscription in all Portions resulting in an oversubscription in the Issue Limit, Allotments to the maximum permissible limit, as possible, will be made on a first-come first serve basis and thereafter on proportionate basis, i.e. full allotment of the NCDs to the Applicants on a first come first basis up to the date falling 1 (one) day prior to the date of oversubscription to respective Portion and proportionate allotment of NCDs to the Applicants on the date of oversubscription and thereafter in respective Portion (based on the date of upload of each Application on the electronic platform of the Stock Exchanges in each Portion).

In case there is oversubscription in Issue Limit, however there is under subscription in one or more Portion(s) Allotments will be made in the following order:

- (i) All valid Applications in the undersubscribed Portion(s) uploaded on the electronic platform of the Stock Exchanges till the end of the last day of the Issue Period, shall receive full and firm allotment

- (ii) In case of Portion(s) that are oversubscribed, allotment shall be made to valid Applications received on a first come first serve basis, based on the date of upload of each Application in to the electronic platform of the Stock Exchanges. Priority for allocation of the remaining undersubscribed Portion(s) shall be given to day wise Applications received in the Retail Individual Investors Portion followed by High Net Worth Individual Investors Portion, next Non-Institutional Portion and lastly Institutional Portion each according to the day of upload of Applications to the Electronic Book with Stock Exchange during the Issue period.
- (iii) *Proportionate Allotments: For each Portion, on the date of oversubscription and thereafter:* Allotments to the Applicants shall be made in proportion to their respective Application size, rounded off to the nearest integer.
- If the process of rounding off to the nearest integer results in the actual allocation of NCDs being higher than the Issue Limit, not all Applicants will be allotted the number of NCDs arrived at after such rounding off. Rather, each Applicant whose Allotment size, prior to rounding off, had the highest decimal point would be given preference.
- In the event, there are more than one Applicant whose entitlement remain equal after the manner of distribution referred to above, our Company will ensure that the basis of allotment is finalised by draw of lots in a fair and equitable manner.
- (iv) *Applicant applying for more than one Series of NCDs:* If an Applicant has applied for more than one Series of NCDs and in case such Applicant is entitled to allocation of only a part of the aggregate number of NCDs applied for, the Series-wise allocation of NCDs to such Applicants shall be in proportion to the number of NCDs with respect to each Series, applied for by such Applicant, subject to rounding off to the nearest integer, as appropriate in consultation with the Lead Managers and the Designated Stock Exchange. Further, in the aforesaid scenario, wherein the Applicant has applied for all the 10 (ten) Series and in case such Applicant cannot be allotted all the 10 (ten) Series, then the Applicant would be allotted NCDs, at the discretion of the Company, the Registrar and the Lead Managers as may be decided at the time of Basis of Allotment.
- (v) *Unblocking of Funds for withdrawn, rejected or unsuccessful or partially successful Applications:* The Registrar shall, pursuant to preparation of Basis of Allotment, instruct the relevant SCSB to unblock the funds in the relevant ASBA Account for withdrawn, rejected or unsuccessful or partially successful Applications within 6 (six) Working Days of the Issue Closing Date.

All decisions pertaining to the basis of allotment of NCDs pursuant to the Issue shall be taken by our Company in consultation with the Lead Managers and the Designated Stock Exchange and in compliance with the aforementioned provisions of the Prospectus. Any other queries / issues in connection with the Applications will be appropriately dealt with and decided upon by our Company in consultation with the Lead Managers.

Our Company would allot Series IV NCDs to all valid applications, wherein the applicants have not indicated their choice of the relevant series of the NCDs.

Applications where the Application Amount received is greater than the minimum Application Amount, and the Application Amount paid does not tally with the number of NCDs applied for may be considered for Allotment, to the extent of the Application Amount paid rounded down to the nearest ₹ 1,000.

For further details refer to the section “*Basis of Allotment*” on page 277 of the Prospectus.
