### A. Education:

EdelGive's Education portfolio works to resolve the systemic barriers to access to quality education in India through a focus on school transformation, early childhood education, innovation and experimentation, and advocacy.

EdelGive supports projects that work in collaboration with government systems and empower communities to enact sustainable changes for equal access to quality education for all children. The interventions prioritise children in difficult circumstances and those belonging to marginalized or excluded populations. All projects use a gender lens to address the barriers faced by girls in access and retention in education.
